

Vajra Heart Daka Transmission

cohort 3

To love is good, too: love being difficult.
For one human being to love another: that
is perhaps the most difficult of all our
tasks, the ultimate, the last test and proof,
the work for which all other work is but
preparation.

— Rainer Maria Rilke

I greet you, your essence and the lineage of men you
come from with honor. You are receiving this
invitation as a man who has the potential to meet this
unfolding Being.

This is a transparent-iridescent diamond feeling way -
The Path of the Unwavering Heart. Here we embrace
the never-ending process of unification of vajra and
heart, love and sex. Learning and practicing being
both lover and noble gentleman.

Not a weekend course, nor a set of techniques it is a
deep commitment to a different way of embodying
masculinity. Serpentine and supple, fiercely tender and
always as awake as possible.

Guidance

For 2022 I, Sy Tzu, am focusing the group undertaking this journey. A traveller on the paths of bliss and ordeal, embracing the petals and the thorns. I am apprenticed to Iboga and an initiate of Tantra, Sangoma and Kuchina.

After 2022 governance of the Sangha-DAO will decide roles going forward.

Vajra as
Flaming Thunderbolt
of Wisdom

And I, infinitesimal being,
drunk with the great starry
void,
likeness, image of
mystery,
I felt myself a pure part
of the abyss,
I wheeled with the stars,
my heart broke loose on the wind.

— Pablo Neruda

Who?

For men who wish to delve as much as possible into the mysteries of the feminine current while embodying as a man. Opening the gates to sexual integration and healing either in relationship(s) or even professionally.

I must confess my hope is that those who undertake this training will, once the sexual eros is stabilized and the integrity grounded, consider holding space for women or a beloved's awakening and healing.

This work is so needed right now.

How Long?

The last one started over 2 years ago and a few of us are still ongoing, having passed the first gate. Others have left.

I don't know how long its going to be. It will take some time however to land this as transmission of the Daka frequency is a fundamental shift which is not easy for men to make.

The Commitment

About 2 hours for meetings every week - we do 1 week transmission and 1 week pod sharing. Some participation on the group shares. Some time spent engaging various practices, missions, feeling pathways.

Cost is 1000 ELYS per month (currently that is about \$55). ELYS is the currency of the Elyseos sacramental medicine ecosystem. Elyseos is the platform upon which the Vajra-Heart DAO operates. You can buy ELYS online or from other group participants.

Dakini

To do this training without the support of Dakni is not possible. She wields the sword of truth and holds the mirror of reflection. We go to our knees in devotion.

Meeting her is a prerequisite on the path, this must be done along the way in some form.

I can give you my loneliness, my
darkness, the hunger of my heart, I am
trying to bribe you with uncertainty,
with danger, with defeat.

— Jorge Luis Borges
